Notes

- All invoices are due upon receipt. The applicable payment period begins from the date the invoice is sent to the client's WhatsApp or official communication channel.
- Air invoices must be settled within 3 days of the invoice date. Unpaid invoices after the due date may attract an administrative processing charge and applicable storage charges.
- Goods weighing below 1 kg are charged as 1 kg. Air freight is calculated using the applicable billable weight, rounded upward to the nearest 0.5 kg where applicable.
- Goods may be opened, inspected, examined or detained by Customs or other competent authorities where required. Customs duties, taxes, inspection, clearance, port, storage and other applicable charges are not included unless expressly stated on the invoice.
- Clients are required to send proof of payment after making payment so the transaction can be properly identified and processed.
