IMPORTANT REMARKS

- All invoices are due upon receipt. The applicable payment period begins from the date the invoice is sent to the client's WhatsApp or official communication channel.
- Sea invoices must be settled within 10 days of the invoice date. After the 10-day payment period, GH¢20 per day will apply as a storage charge.
- Sea freight has a minimum chargeable volume of 0.10 CBM per container. If the total goods in a container are below 0.10 CBM, the minimum charge of 0.10 CBM will apply. Individual tracking numbers are not separately rounded to 0.10 CBM; the applicable CBM is calculated from the total volume.
- Goods may be opened, inspected, examined or detained by Customs or other competent authorities where required. Customs duties, taxes, inspection, clearance, port, storage and other applicable charges are not included unless expressly stated on the invoice.
- Clients are required to send proof of payment after making payment so the transaction can be properly identified and processed.
